ABOUT

Frontend Engineer with nearly 3 years of experience building scalable, responsive SaaS applications and admin dashboards using **React.js** and **Next.js**. Proficient in **Redux**, **React Query**, **Tailwind CSS**, SSR/SSG, PWAs, and frontend performance optimization. Experienced in REST API integration, reusable UI components, and writing testable, accessible code using **Jest** and **React Testing Library**. Skilled in AI-assisted development using **GitHub Copilot, ChatGPT, Claude, and Gemini**, with a focus on code quality, debugging, and validating AI-generated code before implementation.

EDUCATION

Guru Jambheshwar University of Science and Technology, Hisar **2023 – 2025**
MCA - Masters of Computer Application *7.16 CGPA*

Punjab Technical University , Jalandhar **2020 – 2023**
BCA - Bachelor of Computer Application *8.54 CGPA*

EXPERIENCE

Mayank Software Solutions **Nov 2024 - Present**
Frontend React Developer *Gurugram, Haryana*

- Built a scalable **Kuexa Salon** using **React.js**, **Redux**, and **role-based access controls**, reducing manual efforts by 60%.
- Developed dynamic **admin dashboards** with **Syncfusion DataGrids**, **Charts**, and **IndexedDB**, enabling **real-time analytics** and **Excel/PDF exports**.
- Optimized **frontend performance** using **Vite**, **lazy loading**, and **code-splitting**, boosting app speed by 45% and accelerating **feature delivery**.

Global Aspirants **Nov 2023 - Oct 2024**
Frontend Developer *Gurugram, Haryana*

- Developed **EasyCampus SaaS platform** from scratch using **Next.js**, **React.js**, and **Tailwind CSS**, delivering a **responsive** and **accessible UI** for students and corporates, implementing **SSR, PWA capabilities**, and optimizing performance for faster load times and seamless user experience.
- Implemented **SaaS modules**, **admin dashboards**, **RBAC**, and **placement drive management**, improving **job postings** and **analytics tracking** efficiency.
- Enhanced **frontend performance** for SaaS modules via **SSR, SSG**, **code-splitting**, and **lazy loading**, reducing load time and improving **scalability**.

PROJECTS

EasyCampus Registration Portal | Next.js, API Integration, Validation

- Developed a student onboarding and interview scheduling portal with responsive registration forms.
- Developed a registration portal supporting four user roles: **Admin, Campus, Corporate, and Student**, with role-specific onboarding workflows.
- Centralized platform for managing placement drives with a **responsive** and **accessible UI**.
- Integrated APIs and implemented form validation to improve data accuracy and user experience.
- Enhanced student registration efficiency and reduced manual errors by 25%.

Kuexa Salon & Spa Management System | React.js, Redux, REST APIs

- Developed responsive interfaces for salon management and appointment-related workflows.
- Integrated REST APIs for appointments, invoices, payments, and staff activity.
- Implemented dashboards, filters, and CRUD operations to support efficient data management.

Kuexa Admin Dashboard | React.js, Redux, Syncfusion

- Developed dashboard features for managing appointments, clients, services, products, and billing workflows.
- Implemented interactive Syncfusion DataGrids and charts for data visualization and administration.
- Added filtering and Excel/PDF export functionality to support reporting and data analysis.

TECHNICAL SKILLS

Frontend Web Technologies: React.js, Next.js, JavaScript (ES6+), TypeScript, jQuery, HTML5, CSS3
UI Libraries Styling: Tailwind CSS, Bootstrap, DaisyUI, ShadCN, Reactstrap, Syncfusion, Styled-components, Figma, GSAP, Adobe Photoshop
State Management: Redux, React Query, Context API
APIs Data Handling: REST APIs, Axios, Fetch, Postman, Swagger
Version Control Build Tools: Git, GitHub, Bitbucket, Webpack, Vite, NPM, Yarn, Babel
Deployment: Vercel, Netlify, GitHub Pages
Frontend Engineering Principles: Agile Scrum Methodologies, Responsive design, Component-based architecture, Form Handling Validation, Error Handling Debugging, Problem Solving, ESLint and Prettier, Prompt Engineering

CERTIFICATIONS

- Web Designing - Ducat India
- Web Development - Infosys
- Amazon Q - Generative AI Powered Assistant Learning Plan - AWS Training & Certification
